AUTOMATIC RIFLE

INSTRUCTIONS FOR USE

To Assemble: Fit barrel to stock by inserting trigger into trigger slot in stock. Attach barrel band. Be sure barrel stud fits into its hole in the stock. Tighten takedown screw until barrel and stock are rigidly joined.

To Disassemble: Perform reverse operation.

To Disassemble Action For Cleaning: Cock gun and lock bolt open. Be sure magazine and chamber are empty. Loosen takedown screw and remove stock. Disengage safety from recoil plug and sliding safety thumb piece to the rear. Draw out safety slide. Unscrew recoil plug, remove hammer, firing pin and locking bolt, hold back trigger and slide out breech bolt. To assemble, reverse operations and adjust recoil plug to fit bolt locked in open position.

Disassemble Action And Clean Thoroughly Every 1000 Shots.

This firearm and its component parts have been carefully tested and inspected during manufacture and assembly. The barrel has been proof-tested. The firearm has passed a thorough shooting and functioning test. This firearm should be used only with factory loaded ammunition of the gauge or caliber stamped on the barrel.

SERVICE
